

Dear Reinstate Dr. Siebens Listserv Subscriber,

1. **Sad Day For Wilson.**

We were hopeful last week when Mr. Cahall called Dr. Siebens and asked to meet, which they did last Tuesday. They spoke a lot about Mr. Cahall's vision for Wilson and how Dr. Siebens would be supportive. By all accounts, the meeting was a positive one and the two men had a chance to better understand each other. Mr. Cahall ended the meeting noting he was open and willing to change his mind. He added that there were people he needed to speak with about his decision.

On Friday, Mr. Cahall called Dr. Siebens and said that he would not be reinstated to Wilson. Either Mr. Cahall decided not to support reinstating Dr. Siebens for the second time, or he decided to support reinstating Dr. Siebens, but the other people he spoke with overruled him.

As a result, Dr. Siebens will soon be clearing out his classroom.

Either way, it's a sad day for Wilson and its students.

2. **Preparations for Phase 2.**

Underway. More to come. Watch this space.

Onward!

Best,

Paul
