

All,

It's beyond remarkable to see that in just 24 hours over 250 Wilson past and present Wilson students and parents have signed the petition in support of returning Dr. Siebens to his classroom, in the middle of summer no less! And signors have left such wonderful comments as a tribute to his gifts as a teacher.

If you have not yet signed the petition, please do:

Students should make sure their Wilson siblings have signed and parents should make sure that each parent/step parent signs. Because the petition counts an email with the names of a husband and wife in one email address as just one supporter, please make sure that each parent/spouse who supports the petition logs in with a separate email address. Let's count all of us!

And please continue to alert Wilsonian students and parents wherever they may be to this opportunity to show Mr. Cahall and the administration that Dr. Siebens has the support of the Wilson community.

One of the student coordinators and I had the pleasure of being with Dr. Siebens and his wife Linda this afternoon and we were able to see their joy and gratitude firsthand when each new name appeared on the petition. They savored the comments that were left by each signor and Dr. Siebens would smile and tell a story or some details about that person and his/her class, and then the next name would pop in. They were deeply moved by the magnitude and the warmth of support in just the petition's first day.

More! More!!

Best,

Paul
