

All,

Please see the notice below from one of the student coordinators that the on-line petition, the primary tool we have to show support to Art to the administration — limited to current and former Wilson students and their parents to keep the focus — is up and awaiting your signature!

**Please sign on and, especially important, please make sure that every Wilson parent and student that you and your family know, past and present, is aware of this key opportunity to support Art.** We need to reach out to every Wilsonian student and parent on every list we can muster. Please don't assume someone knows about this already.

Time to get out the vote.

Here is the link to the petition: <http://gopetition.com/petitions/reinstate-dr-art-siebens.html>

We are in awe of the outpouring of support for Dr. Stiebens and are very grateful for all the offers of assistance. We now have 124 contacts on this listserve! Please ask people who you believe are not already on this listserve to email me to join so that they can learn of future developments.

Onward!

Best,

Paul

APOLOGY: I am an amateur de facto parent coordinator with few helpful skill sets on how to manage listserves. Please let me know if you are getting duplicate emails from me and I'll remedy that. Please let me know if you would like to be removed from this listserve as well.

Hey all!

We know it has been difficult to understand what is going on over the past few weeks, but we have just created an OFFICIAL ONLINE PETITION to have our voices heard in our effort to have Dr. Siebens reinstated.

If you read through the "Description/History" area of the site you will understand Dr. Siebens' position and everything that has been happening. If you have any further questions, please email us at [hanna.mahon@gmail.com](mailto:hanna.mahon@gmail.com) and [sarah.coxshrader@gmail.com](mailto:sarah.coxshrader@gmail.com)

THIS IS THE MOMENT. THIS IS THE TIME TO GET OUR VOICES HEARD. If this petition gets enough signatures and has enough students and parents behind it, Principal Cahall (and Michelle Rhee and even the Mayor) will HAVE to listen to us. We will all be united and show them that they cannot rid Wilson of such an amazing teacher.

THE TIME IS NOW. LET'S TAKE IT.

To sign the petition go to:
